About the company :

Based in Porto, Natixis Center of Expertise mission is to transform traditional banking by developing innovative solutions for Groupe BPCE business, operations and **work culture worldwide**, as a key driver of the company's culture of agility and innovation: a perfect fit in Portuguese labour culture. Teams of IT, Banking Support Activities and Compliance work in an integrated, inclusive and transversal way, supporting all the business lines and country platforms. Now counting more than 2.000 employees, Natixis in Portugal is the best combination of a "start-up mindset", given its **multicultural and inclusive environment**, culture of proximity and participation and dynamic working methodologies, based on **agility, collaboration and creativity**, with a large, solid structure, founded on career management, including international mobility, financial security and robust processes, along with unlimited learning opportunities. In other words, small enough to keep our entrepreneurial spirit, big enough to deliver projects at a global scale.
