Job Description

Freelance contract.

Responsibilities:

- **Be the voice of our users** and solve complex problems **to define and improve** the user experience for a range of digital platforms including websites, mobile applications, and internal tools.
- **Conduct** user researchers to **understand** customer needs and **define** opportunities.
- Create user flows, journey maps, wireframes and prototypes for stakeholder and user feedback.
- Create high fidelity mock-ups of visual designs consistent with UI guidelines and brand standards.
- **Stay-up-to-date** with industry trends and best practices in UX design and participate in creating new standards to contribute to our design system, best practices, and guidelines.
- **Collaborate effectively** with the cross functional team including developers, product managers, and stakeholders to ensure timely and successful delivery of design solutions.
- **Advocate to stakeholders** and educate them on inclusive and accessible design practices.
- **Support the design team** by actively participating in meetings, providing constructive critique feedback, and offering support to fellow designers when necessary.

Requirements:

- **At least 5 years of proven knowledge/experience in digital product design:** user research, information architecture, usability, prototyping, design process, etc, and sharp, up-to-date, UI skills
- **Have a strong portfolio** with emphasis on native mobile applications and shipped products demonstrating your design process.
- A strong passion for applying and evangelizing human centered design methodologies within crossfunctional teams.
- **Experience with prototyping tools** – we use **Figma**.
- **have experience working in agile and fast-paced surroundings**
- **Fluent in English and French**

Type of profile :

- To be able to work autonomously in a responsive, fluid environment.

About the company :

Our client is an innovative European out of **home deliveries company**, revolutionizing the way parcels are delivered to customers. With **operations across several countries**, our clients provides customers with a fast, convenient, and secure delivery option. With over 10,000 employees worldwide, InPost Group is one of the largest out of home delivery providers in Europe, **committed to providing sustainable and efficient delivery solutions** to meet the evolving needs of customers in today's rapidly changing landscape.
